

# Medication/Illness permission form

**Generally HCS will not keep medication on hand for students** however, if you wish your student to receive medication at the school, you must provide the medication for the office as well as have a permission form on file. Each medication your student may need to take must have a separate permission form with the dosage amount and how often the student needs to take the medicine. Any medication not picked up at the end of the school year will be disposed of. Please fill out the bottom portion so the office is aware of your preferences in the event your student becomes ill at school.
