Improvement Plan

This week our focus for the school improvement plan is on our critical thinking skills. As the students are preparing for upcoming standardized testing, we are doing various reasoning activities. The students are being challenged with logic questions and activities in areas such as science experiments, Bible, and math.

Deference

Character Trait of the Month

Deference is putting the welfare of others ahead of our own personal pleasures.

“For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.” Hebrews 12:3

Used Clothing Closet

Effective February 3, 2012, all proceeds from the sale of used uniforms turned into the school to be sold through the Used Clothing Closet will go directly to PTF. Families with used clothing currently in the Used Clothing Closet will be reimbursed for the sale of their items through enrollment in August 2012. You do have the option of retrieving your items prior to August 31, 2012. Otherwise, any sales generated from those items will benefit PTF. Please remember, if you donate uniforms to the used clothing closet, the uniforms should be “gently used” and be compliant with school uniform code.

Box Tops!

In order for Box Tops to count for the class contest they need to be turned in by February 17th. Be sure to put the grades of all children in the family on the envelope or bag with the box tops!

This Week In Chapel

This week in secondary chapel using Romans 12:2, Mr. Runyan spoke about playing on God's team, not the worlds, and being out there playing, not sitting on the bench.

This week in elementary chapel we are continuing our "Fruits of the Spirit" series. Our focus this week is joy!!

Eagle Sports Line

By Kaleb Milazzo

Boys: The guys have been on a five game homestand. They played their third last Friday against Christ Prep. This was one of Heritage's most intense games of the season. Both teams gave it their all the whole game, but unfortunately, HCS just fell short at the buzzer. But on Saturday they were able to bounce right back and beat the Wichita Warriors. This game was also intense, both teams were being physical and going after every loose ball, fighting the whole way. In the second half, Heritage got ahead by double digits and looked like they had a sure win. But Wichita took advantage of some sloppy play and turnovers from HCS and made a run in the fourth. HCS was able to pull out the win. On Tuesday, the Eagles looked to get revenge against Veritas. Again this was a tough game and both teams battled all the way. Veritas held a lead for most of the game, but HCS refused to lose. They made a big second half run led by some nice plays by Caleb Cowsert. They secured a fourth quarter lead and held on to win.

Girls: On Saturday, the Lady Eagles played the Wichita Warriors girl's team. The Warriors won. Tuesday HCS played against the Veritas Eagles. Heritage easily won by forcing lots of turnovers and getting easy lay-ups off of them. HCS Lady Eagles got a good win.
