Improvement Plan

Our focus for the School Improvement Plan this week is "Living God's Call." Our upper school students are seeking a deeper relationship with God. Right now, there are two Bible study groups. One group meets Tuesday mornings, and the other group gets together on Wednesday afternoons. This is a great opportunity for your student to connect with their peers and meet with God. So whether morning or afternoons work best for you, encourage your student to get involved.

Deference

Character Trait of the Month

Deference is putting the welfare of others ahead of our own personal pleasures.

"For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds." Hebrews 12:3

Used Clothing Closet

Effective February 3, 2012, all proceeds from the sale of used uniforms turned into the school to be sold through the Used Clothing Closet will go directly to PTF. Families with used clothing currently in the Used Clothing Closet will be reimbursed for the sale of their items through enrollment in August 2012. You do have the option of retrieving your items prior to August 31, 2012. Otherwise, any sales generated from those items will benefit PTF. Please remember, if you donate uniforms to the used clothing closet, the uniforms should be "gently used" and be compliant with school uniform code.

Box Tops!

In order for Box Tops to count for the class contest they need to be turned in by February 17th. Be sure to put the grades of all children in the family on the envelope or bag with the box tops!

Eagle Sports Line

By Kaleb Milazzo

Girls: The Lady Eagles traveled to a public school, MDC Valley, last Friday to play their girls team. The two teams went back and forth with each other all game, and they traded leads multiple times. MDC had some decent shooters which provided them with a lot of scoring, for Heritage. It was Stacy Hinman and Jessica Corwin who played big. The game went right down to the wire and was tied at 51 with just seconds left. Heritage took advantage of two missed free throws by MDC and had the final possession. The clock was ticking, and Jessica Corwin got the ball and hit the game-winner at the buzzer! After that win they took a trip to Manhattan to play the CHIEF girls. Unfortunately, the ladies were off their game and Manhattan ran away with it.

Boys: The guys also played MDC Valley last week. However, they weren't as successful as the girls, and they were smoked. But Tuesday, they looked to bounce back and get a win against the Manhattan CHIEF guys team. This game was intense right from the start. Both teams playing physical and really going after it. Every time HCS took a lead Manhattan would work their way back in it. Regulation ended and the teams were tied so the game went to overtime. Paul Muzzy a.k.a. "The Essential" took over on offense for the Eagles by hitting big crunch time shots and setting up others. Defensively, Thomas Tangari covered up their best player and he locked him up Metta World-Peace style! The game went to a second OT and the Eagles continued playing well. Then Muzzy passed it in to Cody Cowin who hit a hook shot that turned out to be the game winner HCS had a big win.
