### **Stenciling Project Seeks Funding**

HCS teachers are in the process of selecting Scripture to be stenciled on various walls within the building. We want to be sure that everyone who visits our building knows where our priorities lie! Each Scripture will cost around \$80 to purchase a re-usable stencil. If you would like to contribute to this project which will beautify our building, please write in the memo of your donation check "stencil" and it will be applied to this project. If you cannot fund an entire stencil project - that's okay, any amount helps. Finally, suggestions for Scripture may be given to any teacher and they will be considered when the time comes for teachers to narrow down their choices. You will be seeing the first Scripture go up soon in the school foyer. It is our school's verse, 3 John 4. If you don't know it, now is a great time to look it up!
