HCS Beautification Committee

Do you enjoy gardening, painting or stenciling? Are you the creative sort? Are you interested in making our school even more attractive and "student friendly?" If so, you may want to consider getting in on the ground floor of a new venture – the HCS Beautification Committee. Some of the first projects will include: stenciling Scripture on the walls and fixing up the flower beds in the front of the building. All activities will be eligible to earn PSC credit. If you are interested, please contact Mrs. Darby at juliedarby@hcstopeka.org.

Stenciling Project Seeks Funding

HCS teachers are in the process of selecting Scripture to be stenciled on various walls within the building. We want to be sure that everyone who visits our building knows where our priorities lie! Each Scripture will cost around \$80 to purchase a re-usable stencil. If you would like to contribute to this project which will beautify our building, please write in the memo of your donation check "stencil" and it will be applied to this project. If you cannot fund an entire stencil project - that's okay, any amount helps. Finally, suggestions for Scripture may be given to any teacher and they will be considered when the time comes for teachers to narrow down their choices. You will be seeing the first Scripture go up soon in the school foyer. It is our school's verse, 3 John 4. If you don't know it, now is a great time to look it up!

School Improvement Plan

Our focus this week for the School Improvement Plan is in the area of "Living God's Call" and "Critical Thinking Skills". Our seniors are currently going through a program called "The Truth Project" in English class. They are being challenged to explain what their worldview is. This week, they are writing papers giving their definition of good and evil. Our hope is that when our students leave here, they will be able to know exactly what they believe and why they believe it. Please join with us as we pray for God's guidance and direction in our seniors lives.

This Week In Chapel

This week during chapel, Willie Brooks came in and gave his testimony.

This week for elementary chapel, continuing the Fruits of the Spirit series, the students learned the Biblical viewpoint of patience.

Eagle Sports Line

By Kaleb Milazzo

Boys: the Eagles finished off their season last weekend in the KCAA State Championship tournament. They entered the tournament as the fourth seed and started against their rival, the Manhattan CHIEF. This game was close all the way through and the teams battled hard. Paul Muzzy refused to let his team lose though and began doing his thing and getting big time buckets. Down by one, late in the fourth, Muzzy drove and hit a hook shot as he was going out of bounds. With only eight seconds left Manhattan fell just short at the buzzer. In the second round the Eagles lost to the number one seeded Wichita Warriors. Then they ended with a one-point loss to Veritas in the third place game.

Girls: The lady Eagles also played in the KCAA tournament. They started off as the second seed and smoked Veritas in the first round. In the second round they played rival, Cair Paravel. The ladies lost to Cair Paravel last time, but with championship caliber defense easily beat them this time. The Ladies excellent play in rounds one and two got them to the championship game against the Wichita Warriors. The girls went back and forth and both teams gave their all. Offensively HCS shot the ball well from three point range. Amara Griffith, Stefanie Lischke, and Jessica Corwin all hit big shots. Unfortunately, HCS was down by four late and were unable to come back and lost 39-35.

Basketball Dinner

The basketball celebration dinner will be Monday, March 12th at 6:45, here at the school, for all basketball teams. All families are asked to bring a main dish, families with last names beginning with A-L are asked also, to bring a side dish, families with last names beginning with M-Z are asked to also bring a dessert.

Kindergarten Round Up

Kindergarten Round Up is Thursday, March 29th. If you or someone you know is interested in starting a student in Kindergarten for the 2012-2013 school year, please call the office and register for the Kindergarten Round Up!
