School Improvement Plan

This week we are highlighting Mrs. Couch and the fifth grade class. They have been sharpening their critical thinking skills by highlighting a new word each day. The word of the day is given to the students, but the definition must be found. After they properly figure out the definition for the word, they are challenged to use it correctly in sentences as much as possible throughout the day. The kids are having a great time expanding their vocabulary!

QUESTIONS?

Do you have questions about the school seeking accreditation? If so, please make an appointment to speak to Mrs. Darby during Parent/Teacher Conferences.

DEPENDABILITY

Character Trait of the Month

Dependability is purposing in our hearts to do the will of God whatever the cost.

"He that is faithful in that which is least is faithful also in much." Luke 16:10.

Time is Running Out!

Fundraiser cards are still available! PTF is challenging the HCS student body to participate in an incentive to sell the fundraiser cards by November 21, 2011. Each Pre-School thru 12th Grade class that sells/purchases an average of 10 cards per student will earn a pizza party after Thanksgiving Break. Attached you will find a form to fill out stating how many cards your family has sold/purchased. Fill out a new form every time you sell more cards and turn the form in. There will be a box in the hallway by the lunch room to drop off your completed forms.

We are asking that every family do their part to help PTF continue to support our teachers and students. You will also be sharing wonderful savings opportunities with your friends and family.

Eagle Sports Line

By Kaleb Milazzo

Volleyball: Friday, October 21st, the Lady Eagles took a trip out to Flint Hills to play a best 3 out of 5 match against the warriors. In Game one, HCS came back to get a 25-22 win. Game two, the ladies got an early lead and Flint Hills' comeback attempt wasn't enough, Heritage won 25-19. Game three was another HCS win 25-17, the Eagles' early lead was too much for Flint Hills to beat.

Soccer: Heritage Soccer has had two games recently. On Thursday, October 20th, the Eagles traveled to Flint Hills to challenge the warriors. Early on, Paul Muzzy and Jordan Flickinger scored to give HCS a good lead. After that Thomas Tangari and Zach Thomas scored goals to end the half. In the second half Kosten Ward and Josh Ralph netted two more to give HCS the win 6-1. On Tuesday, Heritage had their Senior Night and played their last home game of the season against fake Heritage Olathe. To start the game, fake HCS Olathe scored. But Kosten Ward wouldn't let them have the lead for long and came right back to score. The game was tense, both teams seemed to struggle to get anything going offensively, and Thomas Tangari was throwing up on the field! But then the Senior Paul Muzzy got the ball out in the open, took his shot and put it right in! The real HCS was able to hold the 2-1 lead for the remainder of the game and ended their season with a good win.
